STATEMENT OF COMPLIANCE WITH THE FCC'S
CPNI RULES
FEBRUARY 6, 2006

At no time during its existence, including calendar year 2005, did Kwik Page, Inc. d/b/a Paging Plus ("Kwik Page") use Customer Proprietary Network Information ("CPNI") to market any services. Kwik Page's policy is to refrain from using CPNI for marketing purposes. Because it does not use CPNI for marketing purposes, Kwik Page has not requested customer consent to use CPNI for marketing purposes. It has no formal system in place to differentiate customers who have granted consent to use CPNI for marketing from non-consenting customers.

Kwik Page undertakes periodic reviews of its company practices to ensure that it remains in compliance with the rules set forth in Subpart U of Part 64 of the FCC's rules and regulations, 47 C.F.R. 64.2001, *et. seq.* (the "CPNI rules"). Kwik Page requires that each employee signs a confidentiality agreement to ensure that all of Kwik Page's information, including CPNI, remains confidential. Additionally, each employee is trained to conform to confidentiality practices.
